

1450 Spruce St
Suite 6
Wooster, Ohio 44691
330-601-1616

Business Logo Opportunities:

Wooster Hospitality Transit's mission is to connect area residents with the incredible amenities that the city of Wooster and Wayne County have to offer.

The Wooster Hospitality Transit system provides daily bus transportation for Wooster residents as well as tours, events, non-profit organizations, area accommodations, restaurants, retail outlets, and a way to move students from the OSU campus and The College of Wooster campus to destinations throughout the county. Our high visibility vehicles combined with our extensive routing throughout the area provide an excellent opportunity to expand your customer contact potential.

Each shuttle holds 25 guests and there are a limited number of spaces for corporate and organization logos.

Your logo may be presented as a 9" X 12" representation on our vehicles. Color is not a limitation.

Placement is on a first come, first choice basis.

Contact Ken Frazier, Director of Operations, for more information including space availability and annual advertising costs at 330-301-1616 or kenny@woosterhospitalitytransit.com

After acceptance, a high resolution jpeg of your logo would need to be sent to Sign Design. ken@signdesignwooster.com
